The Jefferson Bible: The Life and Morals of Jesus of Nazareth

Merry Christmas from LearnOutLoud.com! Our friends at Tantor.com are offering for free *The Jefferson Bible: The Life and Morals of Jesus of Nazareth* through the end of December. In this book one of America's founding fathers, Thomas Jefferson, edited the four gospels of the Bible into a single narrative, focusing on the actual words of Jesus. To assemble this version Jefferson used an actual razor and cut and pasted his arrangement of selected verses from the books of Matthew, Mark, Luke, and John in chronological order. Jefferson purposefully left out elements of the supernatural and the question of Jesus' deity as he felt this was the task of the Priestley, and Jefferson's priority was focusing on the teachings and morals of Jesus. Download this audio book from Tantor.com through the end of 2012!
